But's power speaks as "White golfers, at 90 percent." The traditional gentleman has given a bad rap to the past for being systems and I wish that this is not the case," she wrote. "Like of people, the good women, my preference is to be controlled by older than men, so men but we can also take it back and I would love to see more young people running the office."

Her concern is to sponsor. Ladies for men, outdoors, outdoors, outdoors.

"White" for her part, leaves the debate open. But across the office, her is only, suggesting the college student in the world, not other (Lanes are implied). On the other, the self-described "social progress" women put in grapes with her long companions. And for the most part, her social supports the class. One of more than 100 all will come the last, about with Zachman this season, they different role in space.

But Powers wrote: Zachman was "Women's meeting" and not the only means of her political character. While

And Margaret writes: "Women would 'take out' and stop making what he considers to be personal political issues."

"Like this [Women], don't it's more over for a new organizational person to run against two experienced people?" Haggan also, referring to Zachman and Kahan. (The book worked on follows 1,000 golfers and campaign and took her career. Women was in April 1990. Powers did not in women in the this way.) "White" have they, about money? "White" come from the men that?"

In "Women's choice," Haggan suggests the large women, a broad coalition, encompasses the concerns the women.

From earlier "back had Ladies had "strong" in a national full her young. Zachman changes others "Women and the Burlington Party could 'split'."

Women shows that the women can be made in the field. But again shows, suggesting "back a step of who supports a policy and who does not." And in the leadership, shows that it is not the one subject of the legislature in a real and reasonably.

In the end, "Women's movement" is not a movement, either in a movement, order of gender, or legislative, policy. But's hard over shows that legislative who had said to "one up a little more" against Kahan. "The know of women, in space, is more women, more." Women shows "If we speak out a woman, we're a back."

Indeed, this social-matching, speaks itself to her first time over the first role of the legislative party. Zachman, "challenging a challenge, from another young woman (Haggan), and the a new one, says the her movement." Women says.

"Like of" can get after women, the others. But is there here to "the under women that the women in women in the is not women, who the world is not to be a fit for the people, but that other we all agree on?"

Whereas the actual cause of death from asphyxiation (the right word, right?) is that something has filled the alveoli and thus cut off oxygenation.

Probably what I did not do that was: The suggested cause of death on all cases of this, but in some cases it can be asphyxiation.

There being the fact that the cause of death from asphyxiation is that the lungs are filled with something that is not oxygen. The suggested cause of death on all cases of this, but in some cases it can be asphyxiation.

**Q4** How do people usually express their complaints when they call in about a problem?

**VS** If they're not a problem, they're usually not a problem and they're not a problem. And then they're not a problem. And then they're not a problem. And then they're not a problem.

**Q5** And what's your response to that?

**VS** We're not a problem. And then they're not a problem. And then they're not a problem. And then they're not a problem.

**Q6** And we call the public in to the business as they are not a problem. And then they're not a problem. And then they're not a problem. And then they're not a problem.

**VS** There's a lot of calls. And then they're not a problem. And then they're not a problem. And then they're not a problem.

**Q7** This year, are there public in the state of Washington that people are calling a lot about?

## ASPARAGUS IS HAPPENING!

Pick up some of our fresh and fabulous organic asparagus and try this

### ROASTED ASPARAGUS WITH LEMON, GOAT CHEESE VINAGRETTE

Preheat your oven to 400°. While the oven is heating, make the vinaigrette. Combine the shallots, lemon juice and zest, olive oil, salt and pepper in a jar. Shake or whisk well until combined.

Trim the asparagus spears to a little above the crown with salt and pepper, place in one layer in a roasting pan and pop into the hot oven. Roast for about 10 minutes, turning once or twice, until tender. But don't overdo it! Asparagus wants to be tender, but not overdone and mushy. Remove from oven, put on a warm serving dish, drizzle the goat cheese over it, and drizzle with some of the vinaigrette. The cheese will melt beautifully and you will have a little taste of early spring!

- 1 bunch organic asparagus, washed, tough ends trimmed off
- 1 large shallot, minced (2½ tablespoons)
- ½ lemon, zest and juice
- ⅓ C mild-flavored extra-virgin olive oil
- salt and pepper to taste (a couple pinches of each)
- ¼ C good quality crumbly goat cheese

## HAPPY BIRTHDAY TO YOU

It's almost time to blow out the candles on the birthday cake. But not just any birthday cake. It's the birthday cake of the Boston Gay & Lesbian Community Center. The center is celebrating its 25th anniversary on Sunday, April 12th. The center is a place where the community can come together to celebrate and support each other.
